

Scribhun

Social article sharing Platform

In Scribhun Users can publish and read articles by operating their profiles. Scribhun provides a better online portal for Writers and readers. Along with this it works as a social network connecting the articles from different part of the world.

[SignUp](#)

How can I socialize ?

- 01** Invite maximum friends to follow and increase followers.
- 02** Try to reach the maximum limit of articles per day.
- 03** Publish articles in a specific and popular hashtag. Stick on to a field in which you are best.
- 04** Share your articles in all social medias to increase your views per article.

How can I earn ?

Every article you post will bring you an amount.

Every like you achieve for article brings you an amount.

Every 100 views of article will bring you an amount.

Every 100 followers you achieve gives increase in amount of per article you share.

All these together will give you a serious passive income in a span of time

Increase in income = Articles(Likes+Views+Followers)

“Views are given ultimate priority so don't hesitate to share”

How to reach first payout quickly ?

Scribhun allows you to post maximum of **5 articles per day**.

5 Articles/
Day

×

10 Days

=

5 x 10 cent = 50 cent
50 cent x 10 = 500 cent (5\$)

First Payout
5 USD

If you post 5 articles for 10 days, you will be eligible for your first payout

(If your post have more views and shares you can reach the payout much earlier)
